Voluntary Contribution

Instead of asking children to collect money through sponsorship, the PTA has decided that we would ask parents to make an Annual Contribution to the PTA Fund. The cost per child this year will be £10, or a maximum of £20 per family. This money would be most appreciated and should if possible, be sent to school before Friday 21st October 2011- please complete the form overleaf.

Thank you for this.

The aim of the PTA for the upcoming year is to raise funds for the enhancement of the school grounds and also to purchase IT equipment.

We would appreciate your support in these events.
